

KEY DEFINITIONS

There are specific phrases I use often. I want to lay a foundation in training so you, too, can grasp the full meaning of what is spoken based on our platform.

—ANGELIC GUARD—

What is an Angelic Guard?

Prophets in the office will have what can be viewed as a natural secret service but receive protection in the spirit realm. Three to four angels minimum are given to an office worker to protect the message as the greater focus than the person carrying the message. Let's say you are a world leader. An entourage of skilled guardsmen or secret service agents will cover you and keep you safe from those who aim to hurt you. And this natural "army" of protectors will guard your every move and stay near you each moment of the day.

The Angelic Guard operates this way, giving office protection. Let's say you are assigned a city sphere to cover as a watchman. Yahweh will ensure that the particular angels with you bring forth His will in a specific time frame based on the message, purpose, and plan you carry within your office mantle. They are there to push the prophet's licenses and obey what Yahweh gives forward through the covenant arrangement with the prophet/servant. The angels in the Angelic Guard have the needed skills to protect that prophet's work sphere and deal with warfare engagement.

Every follower of King Jesus has a ministering angel. Hebrews 1:14 NASB says: "Are they not all ministering spirits, sent out to provide service for the sake of those who will inherit salvation?"

And when we think we are all alone, there is a spiritual way of protection that is rightfully ours. And in Yahweh's book were written all the days ordained for us (Psalm 139:16), but we can do what we want (free will). Yet, we blame Yahweh for what Satan gives into others. Evil is in the world because of sin; the sinful nature is still here. But there is still free will, where we can choose to love God or sin and break covenant with the God of all, who determines our days. Daily, the fleshly nature needs to be refused, where we walk in the Spirit and not in the flesh (Galatians 5:16).

Every real prophet takes on an entourage of angels to give the needed protection and backing from the Throne Room. The angels will only obey the will of Yahweh (Psalm 103:20-21). The angels will not bend to human will.

- Yahweh speaks to the prophet and gives a message. Sometimes, Yahweh will give the message to an angel (instead of first to the prophet), and the angel delivers what Yahweh says to the prophet or the hearer.
- If the message needs to be delivered after the prophet hears it, the prophet then speaks the will of Yahweh to the hearer.
- The angels sent to bring the will forward will move into position and will follow Kingdom order.

No one can activate angels. They are not built with an “off” switch, waiting for someone to turn them back on to go to work. By prayer and supplication, asking for a new engagement must first go through our Mediator, King Jesus. Let King Jesus know of your need for a particular way of protection, and He will take a look at the purpose for which you seek them. Call upon the Lord in your time of need.

I can recall the first time Yahweh allowed me to have direct conversations with the angels in my Angelic Guard. They would start telling me Yahweh’s plans. I did not seek them out; I waited for Yahweh’s will. These angels who spoke did not cater to my fleshly will. They were not there to bring me a platform. They are here with me to bring forward the will of Master King Jesus, to make sure the will of Yahweh is protected. I have seen the angels that stand at my desk in my home office—one on each side. They dress in gray metal attire. I cannot see the white robes that adorn others I have seen. These angels guarding the prophet have a heavy metal covering geared for warfare.

If you think that angels are here to bring you wealth and fortune, take a new look at why we have them with us. Some are with us to bring comfort. Some heal and help us in delivering ways. They are always with us and will perform Yahweh’s Word, obeying His voice. When you do not know what to pray, bring a prayer of supplication. Start with the Lord’s prayer (Matthew 6:7-15). Let us

humble ourselves before Yahweh and know that He can see all and is very capable of bringing His will to pass.

This entry is for a bit of reflection on the Angelic Guard. Angels do a lot more than what was shared here. Let us respect what Yahweh gives and give thanks for the protection He provides daily. And we pray that there is a continual yielding to the nature of Yahweh, His Great Spirit so that we stay under Kingdom order. Amen.

—CULT LEADER—

A cult leader refers to a person misled into thinking they have a plan of healing and redemption apart from the Gospel of King Jesus, where they would say that King Jesus is not the only way to eternal life. Cult leaders use other ways to try and attain eternal life, while there is only eternal life in knowing King Jesus as Savior and the One True God.

—CUT-OFF—

In Scripture, Yahweh mentions the cut-off plan with the way He deals with those who move against His Kingdom will. There are those who would be under Yahweh's provision, protection, and power. Yahweh grants those attributes as privileges of being under a Kingdom order. And when a person or a group tries to break a covenant with Him and launches out on their own or take an action that usurps whoever Yahweh has as a leader, Yahweh will break off that covenant by giving a death curse or a natural cut-off action, which can also manifest as a plan of natural death. An example in Scripture:

(1) One day Korah son of Izhar, a descendant of Kohath son of Levi, conspired with Dathan and Abiram, the sons of Eliab, and On son of Peleth, from the tribe of Reuben. (2) They incited a rebellion against Moses, along with 250 other leaders of the community, all prominent members of the assembly. (3) They united against Moses and Aaron and said, "You have gone too far! The whole community of Israel has been set apart by the Lord, and He is with all of us. What right do you have to act as though you are greater than the rest of the Lord's people?" (4) When Moses

heard what they were saying, he fell face down on the ground. (5) Then he said to Korah and his followers, “Tomorrow morning the Lord will show us who belongs to Him and who is holy. The Lord will allow only those whom He selects to enter His own presence. (6) Korah, you and all your followers must prepare your incense burners. (7) Light fires in them tomorrow, and burn incense before the Lord. Then we will see whom the Lord chooses as His holy one. You Levites are the ones who have gone too far!” (8) Then Moses spoke again to Korah: “Now listen, you Levites! (9) Does it seem insignificant to you that the God of Israel has chosen you from among all the community of Israel to be near Him so you can serve in the Lord’s Tabernacle and stand before the people to minister to them? (10) Korah, He has already given this special ministry to you and your fellow Levites. Are you now demanding the priesthood as well? (11) The Lord is the one you and your followers are really revolting against! For who is Aaron that you are complaining about him?” (12) Then Moses summoned Dathan and Abiram, the sons of Eliab, but they replied, “We refuse to come before you! (13) Isn’t it enough that you brought us out of Egypt, a land flowing with milk and honey, to kill us here in this wilderness, and that you now treat us like your subjects? (14) What’s more, you haven’t brought us into another land flowing with milk and honey. You haven’t given us a new homeland with fields and vineyards. Are you trying to fool these men? We will not come.” (15) Then Moses became very angry and said to the Lord, “Do not accept their grain offerings! I have not taken so much as a donkey from them, and I have never hurt a single one of them.” (16) And Moses said to Korah, “You and all your followers must come here tomorrow and present yourselves before the Lord. Aaron will also be here. (17) You and each of your 250 followers must prepare an incense burner and put incense on it, so you can all present them before the Lord. Aaron will also bring his incense burner.” (18) So each of these men prepared an incense burner, lit the fire, and placed incense on it. Then they all stood at the entrance of the Tabernacle with Moses and Aaron. (19) Meanwhile, Korah had stirred up the entire community against Moses and Aaron, and they all gathered at the Tabernacle entrance. Then the glorious presence of the Lord appeared to the whole community, (20) and the Lord said to Moses and Aaron, (21) “Get away from all these people so that I may instantly destroy them!” (22) But Moses and Aaron fell face down on

the ground. “O God,” they pleaded, “you are the God who gives breath to all creatures. Must you be angry with all the people when only one man sins?” (23) And the Lord said to Moses, (24) “Then tell all the people to get away from the tents of Korah, Dathan, and Abiram.” (25) So Moses got up and rushed over to the tents of Dathan and Abiram, followed by the elders of Israel. (26) “Quick!” he told the people. “Get away from the tents of these wicked men, and don’t touch anything that belongs to them. If you do, you will be destroyed for their sins.” (27) So all the people stood back from the tents of Korah, Dathan, and Abiram. Then Dathan and Abiram came out and stood at the entrances of their tents, together with their wives and children and little ones. (28) And Moses said, “This is how you will know that the Lord has sent me to do all these things that I have done—for I have not done them on my own. (29) If these men die a natural death, or if nothing unusual happens, then the Lord has not sent me. (30) But if the Lord does something entirely new and the ground opens its mouth and swallows them and all their belongings, and they go down alive into the grave, then you will know that these men have shown contempt for the Lord.” (31) He had hardly finished speaking the words when the ground suddenly split open beneath them. (32) The earth opened its mouth and swallowed the men, along with their households and all their followers who were standing with them, and everything they owned. (33) So they went down alive into the grave, along with all their belongings. The earth closed over them, and they all vanished from among the people of Israel. (34) All the people around them fled when they heard their screams. “The earth will swallow us, too!” they cried. (35) Then fire blazed forth from the Lord and burned up the 250 men who were offering incense.

—Numbers 16:1-35 NLT

No provision, protection, or power surges forward when Yahweh cuts off a person or a group. Yahweh literally disowns the cut-off, separating Himself from those who brought on anger. How does that action look today? When dealing with prophets and their mantle, most prophets have a spiritual covering that stems from a church outlet. And the natural provision, protection, and power come through dealing with the organization that claims that church prophet under their covering. Some refer to the church covering as a mentorship or a spiritual father/mother way. But most

churches will not be able to carry the weight of spiritual or financial provision, protection, and power and will only relate to the prophet with a plan of spiritual counsel.

Yahweh gives His prophets provision, protection, and power that surges in the spiritual outlets and natural ways to carry the spiritual weight from working in the office. These spiritual licenses give ways to engage with governing authority from Yahweh and allow spirit beings and those who take on spiritual engagement to see what is within the prophet. The spiritual license can be viewed similarly to natural professions gaining a license to work in their field of expertise. But imagine a so-called doctor who never went to medical school and never had a residency begins to look at your medical charts and gives suggestions on treatment and may even offer to do surgery. What would you do? You should report that impostor to the officials and run out of that dangerous situation.

But with spiritual licensing, people do not know the needed requirements for office workers and would place anyone with any speck of spirit engagement on a spiritual platform as if they are well trained and equipped to work in a prophet's sphere. And when these power-seekers take on a plan to be in a position not granted by Yahweh, Yahweh tends to break them and bring them into various forms of torment. And when a person tries to make room and usurp a real office worker, Yahweh may cut that rebellious person from the Kingdom way by shriveling up what they currently carry within. Yahweh may even strip away their money way of provision and spiritual drinking to gain their attention that something is off in the spirit realm and needs to be reviewed.

Others who may come against a prophet based on bitter heart ways may need to take a look at their way in addressing the office to make sure they hear Yahweh. Yahweh backs up His active, released prophets, so they carry His covenant in bringing His will to the hearer. The bottom line: When there appears to be a lack of provision, protection, and power, seek Yahweh for clarity to bring your spirit into a drinking plan that syncs with Him. And praying to Him with supplication, seeking to gain a close way with clean hands and a pure heart, will end up giving you a way to meet with God.

—DEAD SHELL—

A dead shell is a dead person's body—the remains buried after death. When Yahweh (Jesus) raised Lazarus from the death phase, He dealt with the person He needed to bring life into, without needing a mediator's assistance. This means that King Jesus used His nature as the Resurrection and the Life to yield (bring forward) a living being in that dead shell of a person. And when Yahweh told Lazarus to rise from the dead, He directly commanded Lazarus' dead shell (body) to merge with Lazarus the person (soul and spirit), bringing the body, soul, and spirit into one unit. King Jesus spoke to the dead (in this example, Lazarus) in order to bring His resurrection power and life to the dead in the death phase.

Any person ordered to raise any human from the dead is dealing with a dead person and must yield to Kingdom order from Yahweh in being granted a plan to walk in this level of covenant way. To attempt to raise the dead under other plans is occultic. No one must dabble in the occult and expect Yahweh's power as their surging power.

—DEATH PHASE—

Death Phase refers to a state of natural death, where the spirit and soul of the human have been released from the human body and take the place of location in Heaven or Hell. The way of natural death stays in place under a curse spoken by Yahweh. In eternity, Death and Hell are in the lake of fire. King Jesus offers each person an opportunity to be set free from natural death and the Death spirit. And it is with power in Yahweh, every follower of King Jesus receives eternal life, free from natural death forever.

Human power cannot break the death phase. Concerning any who have died, Yahweh ultimately must have a ruling plan and break the hold of the death curse in natural time. While in the death phase, Yahweh gives an order to permit a person's spirit to be rejoined with the flesh. And with an overruling, only then will the Death spirit have to release that spiritual governing over that person and let Kingdom order rule over this death curse.

Death is the name of a curse, as well as a spirit that can govern. Yahweh gave a new ruling over death and the death phase by the powerful blood of King Jesus. Only in King Jesus can resurrection and the way of eternal life come. Though it looks like the Death spirit rules here on Earth, in the

spirit realm, Yahweh allows specific permissions to continue until the timing is here for the raising up of all who have died.

We will see raisings from the dead even before the two main Resurrections come forward. To see these raisings from the dead would need Yahweh to break the death phase and give an overruling of a curse that gives the Death spirit a governing over the dead. It's a way of great power in the Great God Yahweh that is needed to bring the dead forward from the actual death phase. Yahweh is the One True God, and He will bring dead folks back in His sovereign will.

—DEATH SENTENCE—

A death sentence gives a person, nation, or people group a literal death curse. Here is an example in Scripture:

(26) Then the Lord said to Moses and Aaron, (27) “How long must I put up with this wicked community and its complaints about Me? Yes, I have heard the complaints the Israelites are making against Me. (28) Now tell them this: ‘As surely as I live, declares the Lord, I will do to you the very things I heard you say. (29) You will all drop dead in this wilderness! Because you complained against Me, every one of you who is twenty years old or older and was included in the registration will die. (30) You will not enter and occupy the land I swore to give you. The only exceptions will be Caleb son of Jephunneh and Joshua son of Nun.

—Numbers 14:26-30 NLT

Yahweh would actually back a power plan and give the hearer a plan that would kill them off.

- Yahweh would say a specific person or nation will die.
- The prophet says Yahweh's message to the hearer.
- And then, over the time frame that Yahweh decides, Yahweh surges into the person under the death curse and gives death into their body and takes them out of natural living.

Sometimes death could be immediate (Acts 5). Sometimes, various persons under the death curse would die over time, as in our example from Numbers 14. For others, Yahweh does not state in Scripture the exact moment death will occur (2 Kings 1). Other Scriptures reveal this plan, but what is given should provide a well-rounded understanding that ultimately, when Yahweh actually does state that death is coming, Yahweh will make sure death comes.

—DETAIL—

A detail refers to any plan, activity, outlet, work, or task given.

—DRINK / DRINKING—

(a) This spiritual action is visible in motion through naturally based duties based on how orders are carried out. Drinking refers to waiting for the leading of the Great Holy Spirit to give clarity concerning a detail. (b) To drink is to actively follow-through with Yahweh's counsel. (c) To drink is to shift and embrace whatever directive the Great Way releases. (d) To drink is to embrace what is heard or written, whether holy or evil.

—FAITH—

Faith is shown by obeying God, doing whatever Yahweh says.

—FALSELY CALLED SLANDER—

Falsely Called Slander refers to any detail that presents a person with a viewing they are not pleased with, within a spiritual view, even when that viewing is the real way given. Yahweh reveals a root nature that is causing one to act out under various plans. But to that person, hearing of their error would feel like slander even when Yahweh has a goal to bring up their heart details to have a plan of healing and restoration. Humans do not want others to know of their flaws, and instead of humbling themselves under God's mighty hand, they would mark any correction as slander due to not wanting to have a poor presentation with others.

—FAMILIAR SPIRIT—

A familiar spirit is a demon connected to a family line that torments by engaging the victim, presenting itself as a dead family member. The demon will remain spiritually connected to the family line or other covenant until a spiritual break is spoken through prayer, renouncing all former ways of covenant and sin under occultic and inherited ways.

—FREE WILL—

Free will is where your way leads over God's plan, where you can go your own way to be in a will that you choose. And in turn, your nature can drink deep spiritual shifts to bring you into an agreement with the will of King Jesus, aligning with Kingdom will. Under the ways of free will, a human can freely choose service in Yahweh's Kingdom or sit in sinful ways, setting up for eternal damnation.

—GLORY—

A glory surging is a potent level of God's power and presence combined. The glory form of walking with God produces a spiritual filling of His nature that remains constant. To stay in the glory of Yahweh is to drink the potent power and presence from the nature of God I AM. The glory level is a deep surging that will not shift in strength or spiritual composition. No level of evil can take over the glory of God and reign. To have a glory touch from God will change the natural matter infiltrated so it can take on the nature that comes under Kingdom order. The glory of God will change the person who encounters that way. God's glory is, in its purest form: seeing God.

—GREAT WAY—

The Great Way is another name for King Jesus, the Son of God. King Jesus is also the One True God.

—LAW OF TRANSFERMENT—

There is a spiritual transfer in the spirit realm through natural acts such as sex, the laying on of hands, and general contact. With the Law of Transferment, God's Spirit or a demon spirit is transferred through natural touch or engagement (Read Acts 8:17). A person can receive a transfer of God's power, nature, and Spirit, or receive a demon, inheritance, or curse, based on the spiritual power source leading within the person releasing the transferment. Prophets and other Kingdom officials transfer surgings from their mantles within to bring shifts in the sphere of influence granted.

—MATERIAL TRANSFER—

- (a) Material Transfer is the **process** of shifting from one form of substance to another. For example, angels and demons can change from a spirit substance to a human form of presentation.
- (b) That's how the resurrection will be, where the dead will take on material transfer and shift into a sort of a substance that can come up through the burial ground under the earth to appear on the surface without being dug up.

In the resurrection process, the human will change, in material, and take on material transfer to be remade for the purpose of entering life everlasting or eternal damnation (read Revelation 20:5-6). King Jesus will come back and raise the dead. There will be an instant raising, not years of digging. And to bring forward so many so quickly, God will instantly shift the dead human and bring them above the earth with His great power through material transfer.

—MATERIALIZATION—

Materialization is the **result** of a material transfer. A spirit from the unseen way takes on the shape of the natural, where they shift into a human form of presentation. It's when the unseen realm of spirit form, takes up a natural way, to move in being revealed by the natural senses. King Jesus could eat natural food and engage in natural interaction with the humans gathered (read Luke 24:36-43). The Great Way visited Abraham as a guest, taking on a form of a substance that would have a way to engage the human with natural presentation (read Genesis 18:1-8). God's Word speaks of entertaining angels without knowing they are real angels because they can appear as a

human form of presentation (read Hebrews 13:2). Materialization gives angels and demons a way to interact with a human through natural engagement.

—OWNERSHIP—

When a person takes ownership, they take full responsibility for the instance and correct it. Upon a comprehensive view of the root of the problem, a correction allows the building up of a concrete plan to produce a better result than the program first intended.

—POWER—

Power is the hand of God pushing His will and plan into the current of time, into eternity. His hand will shape events and keep all laws—both natural and spiritual—in a constant flow. King Jesus has an unmeasurable power that holds all creation together (read Colossians 1:15-17). Power is the needed attribute to change the way a system is moving. Power is like the battery in a car to give an example, to see it as a general detail.

In a church, ministry, or business setting, power will push God's plan forward, moving against Satan's will to keep worldly ways dominant. What you can see in the natural will be the effects of power pushing in that way. Power is the demonstration of God's Kingdom will in earthly events. Power enforces and forces changes, but the use of God's power must be placed under full submission to the Great Way, in all things. Never think you can walk in Kingdom power apart from God's Spirit. Power, referring to His disbursement, must stem from the power source—the Great Holy Spirit.

—PROPHET—

A prophet is a man or woman gifted through a Kingdom order, enabled to take in spiritual upgrades to carry the weight of work duties that shift certain realms and regions. A male or female can use the title of prophet since the office gauges the spirit realm and not the gender household details. Yahweh gives the person called to service a direct impartation to perform work duties relating to their sphere of influence. No one can become a prophet simply by wanting to be one, nor can any

church leader impart into their chosen servant a level of power to wage war against Satan in a territorial work as a prophet.

Each sphere in Yahweh's Kingdom work will yield battle warfare against various levels of demons. Demons are gauged by strength under the territorial covering within their rank in Satan's kingdom. And demons will have territorial governing within spheres, realms, and regions that will bring an opposing nature to what Yahweh's servant is given to ensure. The servant must be enabled to carry the weight of the given duties to stand as a "watchman," enabled to bear the weight of direct engagement with the spirits that lead within the sphere. And each servant in Yahweh will need to face very real spirit dealings within the ways of Yahweh and Satan to complete their given assignments.

Every prophet needs to prepare for real warfare with real tastes of spiritual engagement at the leading of the Great Holy Spirit. Within the calling given in the servant, Yahweh builds up spiritual upgrades, tester training, battle practices, and forms of rejection so that there is a well-rounded servant, ready for what level of work their official duties will entail. Building and shaping the prophet's mantle through trials, tribulations, spiritual tests, and training in delivering messages begin the groundwork in novice preparations for actual work.

A weekend training course in learning to hear Yahweh is not how Yahweh trains His prophets for engagement with working in their sphere. Hearing the voice of the Lord will come in accuracy and without fleshly embellishment as the prophet builds a solid foundation in spiritual hearing, discernment, and waiting, under ways of obedience with Yahweh.

Allowing Yahweh to strip away past hindrances and fake friendships is only a small part of bringing His plan forward into the natural. The nature of Yahweh's Kingdom prophet work requires a servant spiritually stripped of their pride and selfish ambitions. The novice enters a period of wilderness training in spiritual and natural remote ways. In the wilderness, Yahweh deals with the servant, reveals their human fears, and shapes them into a servant who follows Yahweh's Word and gives His will without fear of rejection.

The prophet must endure what level of office work their calling provides to deliver Yahweh's Kingdom way. And with that level of work, a humble trust while waiting in Yahweh must have a way to lead within. With each sphere, there will be provision, protection, and power. With the full way of release in the given sphere at the end of novice training, Yahweh will begin the presentation way and reveal the servant to other servants as well as to the spirit realm.

No one can become a prophet in this office work without Yahweh stating that they are in that role, for it is Yahweh who is invoked by the prophet's words as they come under Yahweh's order, speaking whatever Yahweh gives them to speak. And if a servant turns away from Yahweh and yields to lowercase gods, within a certain time of unrepentance of their rebellious nature, Yahweh removes that prophet from office work. With removal, the prophet will not hear the Word of the Lord as a deep filtered engagement. There would then be the need to resort to demons or hearsay.

When Yahweh gives a covenant vow to begin work with a prophet, He has already sent them through outlets of training that would break the average person. No prophet is worth more than any other human. If others knew what Yahweh requires in His service, no one would proudly long to be a prophet. The bearing down of Yahweh's will is a caring yet spiritually demanding way—to let Yahweh strip away the old way and push the spiritually shifted servant through learning to hear Yahweh's plan over their full earthly living.

Yahweh cares about each servant within the work and office outlets, yet He wants honest workers who wait for Him to speak and will not take any human emotion as their binding word to build a message and claim it as a real hearing. No human calls a prophet into service. Yahweh calls the prophet into the office work and directly imparts power into that servant's mantle to carry the weight of the office work.

—PSYCHIC—

According to the secular environment, a psychic tells the future or reveals personal details concerning a place, person, or circumstance. The naïve person would see this demon-filled person and Yahweh's prophet as the same stream of spiritual drinking, an outlet of telling the future or

proclaiming what's already there. It's a dangerous perception to view both groups (the psychic and Yahweh's prophet) in the same plan since the psychic reports to Satan.

With a psychic, their main gathering of information stems from spirit beings known as demons. These demons once were God's angels who turned against Yahweh and rebelled. With these other ways of spiritual seeing, the gathered details stem from wisdom heard in Yahweh's private sessions with His prophets, messages released into the spirit realm, and the demons that follow the person to observe their private living.

No psychic is a real Christian. At the same time, no true prophet can live entirely without sin due to being in this fallen world, yet Yahweh gives a certain way in preparation and spiritual stripping to stabilize His servant and keep him or her firm in the faith when working His work details.

Yahweh removes a prophet from duty when they continually disobey Him. When there is no open channel of the wisdom and will from Yahweh's plan, a real servant will have to resort to using demons if they want to give a fake presentation of hearing from Yahweh. A psychic will always resort to their demon outlets, and they also let a demon enter their flesh for a "power" way to appear higher in occultic actions.

Never go to a séance, a tarot card viewing, or palm reading. Never entertain horoscopes or play Ouija board games. Stay holy unto Yahweh. Read His Word and pray to Him for wisdom and reliable counsel. Yahweh has real servants on Earth, bringing a shifting plan in the realms and regions **based on the Word Yahweh gives**.

—RAIN—

(a) Rain refers to the Great Holy Spirit, a Member of the Godhead. (b) Rain also relates to the healing, cleansing power that Yahweh gives to the earth throughout the outlets.

—SALVATION—

Salvation refers to believing in King Jesus, receiving Him in your heart as the One True God. Scripture states,

(5) For Moses writes that the law's way of making a person right with God requires obedience to all of its commands. (6) But faith's way of getting right with God says, "Don't say in your heart, 'Who will go up to heaven?' (to bring Christ down to earth). (7) And don't say, 'Who will go down to the place of the dead?' (to bring Christ back to life again)." (8) In fact, it says, "The message is very close at hand; it is on your lips and in your heart." And that message is the very message about faith that we preach: (9) If you openly declare that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. (10) For it is by believing in your heart that you are made right with God, and it is by openly declaring your faith that you are saved. (11) As the Scriptures tell us, "Anyone who trusts in Him will never be disgraced." (12) Jew and Gentile are the same in this respect. They have the same Lord, who gives generously to all who call on Him. (13) For "Everyone who calls on the name of the LORD will be saved."

—Romans 10:5-13 NLT

In salvation, the Great Holy Spirit changes the person, and that former way of living takes on a will that is no longer giving the most significant influence. As the person releases their sinful habits, hurts, and woundedness, Yahweh heals, delivers, and sets them free within to take in their ultimate purpose in Kingdom living. When there is salvation within, there is an immediate shift from death to life in King Jesus. Within salvation, there is Kingdom citizenship and eternal life. One must understand that Kingdom salvation is a covenant between the human and the Great King Jesus, Father God, and the Great Holy Spirit.

The power of the Great I AM is able to keep each person from leaving the Kingdom, but God will not take away free will. That means that God will not make anyone stay in His Kingdom; He will give each human what plan they choose. That plan says that once saved is not always saved, and each human must continually allow the Great Way to have leading ways within. Come and be yourself, yet make room for God to take you into all He is planning for your way of eternal living.

—SÉANCE—

Most would note that Yahweh would have strong objections to the idea of considering speaking to the dead. In the case of séances, there is a ceremonial conjuring of demons that would take on the appearance of a dead relative or stranger. A person who contacts the spirit world can drink deep infestations of spiritual fillings of various demons based on who opened the communication portal in a meeting with a demon. The idea of speaking to a spirit through a séance is not under Yahweh's Kingdom plan. Anyone who considers meeting with demons with the will to yield to Satan is in grave danger. Attending a séance will also open up demonic torment to all in the meeting.

Since the plan of seeking out the dead through a medium is prohibited, how is anyone under Kingdom order in King Jesus supposed to raise the dead by the power of the Great Yahweh? Yahweh would give the command to go and pray that that person would come back to life from the death phase. Yahweh would have to lead all spiritual engagement with any unseen plan—angel or demon. And in the raising up of the dead person, the servant who comes under orders from Yahweh will indeed address the dead and give the command to come forward in King Jesus.

If you attend a séance, you will engage the spirit world. Unfortunately, many do not take the spirit realm seriously and would think that just because they attend a church, there will be safety. But know this, if there is a doorway opened, that professing Christian will, in time, face spirits of darkness and torment for breaking territorial protection due to sin.

When Yahweh gives spiritual engagement, there will not be a way of torment and yielding to the dark natures. Satan is a real demon, and he will bring great deception to the churches, thinking that dabbling in this sinful plan will have no detrimental consequences. Be warned.

—SEER—

A seer is a person who sees in the spirit realm and brings a will from Yahweh, in prayer form, forward, to have a spiritual territory built that will bring Heavenly influences into natural outlets. Seers can also walk in the prophet outlet in work duties. Every prophet has seer traits, but there are different ways or types of seeing. With a seer, the spirit realm is placed in the natural vision to

enable the seeing way to be well-rounded and adequately prepared for battle. Various seers can see the spirit realm as if it is another layer to see in the natural realm. The two realms, simultaneously seen—the spirit realm transposed over the natural, with continuous visions, revelations, and prophetic wisdom given to bring Yahweh's plan forward.

To see the spirit realm presented, to turn it under Kingdom order, would require a person who trusts whatever Yahweh gives and would declare Yahweh's will without fear. Seeing the spirit realm gives way to take on levels of engagement with what is revealed, with how to place forward a specific strategy. The ability to see is also to be held responsible for bringing Yahweh's shift, as needed.

—SEERSGATE—

Seersgate gives a way to see into the spirit realm by using a gate or portal. A servant, a seer, or a prophet can become a "gate" who brings in the wisdom, power, and provision from the Kingdom realm and Heaven. This release of protection requires a covenant joining with Yahweh. Then a real way to bring influence leads. In particular, the seer traits are given to stop the heavy influences of demonic outlets.

What are the seer traits? The ability to see what takes place in another time, season, line of the family, heavenly levels of output, the depths of Hell, the world-level influence being given by the spirit realm, as well as knowing what is significantly influencing the space/atmosphere of warfare, worship, and wealth.

—SHIFTINGS—

A shift is when a detail turns from one way to a new way. A form of a shift would include changes in plans, schedules, events, promotions, etc. You could receive a message from the Great King, where He says you will leave at 2 p.m. for a service, but then God has you going on a new plan that takes you from that first arrangement. There will be many who would truly think the first message you heard was false, yet God changes His plans based on His full will moved forward, and it would not make the messenger a false or novice prophet (read 2 Kings 20:1-11).

Shiftings in God’s Kingdom happen when a new will overrules a previous way. The ultimate will in King Jesus must come forward, and the Planner King Jesus will shift His plans around to give the needed push to bring His will forward. And when He shifts and makes His changes, spoken in messages often, all the people, places, and dealings involved will have to shift with Him. That brings a new will to follow and will give a new future outline for the hearer to walk in.

—SPIRITUAL BIRTHING—

A prophet or intercessor can take on a form of birth pains and spiritual birthing based on a power plan Yahweh wants to bring into natural ways. Let’s say you heard a plan. Yahweh moves the plan in seed form and makes it take on a spiritual growth, staying with the one who is given to take hold of the promise. And when the way is given for the birthing to take way, there is a power surging from Yahweh that will push the work, purpose, or way of new living forward where it takes hold of the natural way, enters and changes it, making the natural way take on the traits of what was first mentioned in dreams, visions, and spoken meetings in Yahweh’s Throne Room.

Sometimes the servant birthing forth Yahweh’s will has natural ways of moving into a birthing position, waiting for the power from Yahweh to complete what is scheduled to come.

(41) And Elijah said to Ahab, “Go up, eat and drink, for there is a sound of the rushing of rain.” (42) So Ahab went up to eat and to drink. And Elijah went up to the top of Mount Carmel. And he bowed himself down on the earth and put his face between his knees. (43) And he said to his servant, “Go up now, look toward the sea.” And he went up and looked and said, “There is nothing.” And he said, “Go again,” seven times. (44) And at the seventh time he said, “Behold, a little cloud like a man's hand is rising from the sea.” And he said, “Go up, say to Ahab, ‘Prepare your chariot and go down, lest the rain stop you.’” (45) And in a little while the heavens grew black with clouds and wind, and there was a great rain. And Ahab rode and went to Jezreel. (46) And the hand of the Lord was on Elijah, and he gathered up his garment and ran before Ahab to the entrance of Jezreel.

—1 Kings 18:41-46 ESV

—SPIRITUAL UPGRADE—

Every person marked as a prophet will have various spiritual attributes that will make them a prophet. That person—the spirit part—will have to grow significantly to carry the weight of the message placed in their calling.

Under the Christian faith, a person can only see and hear spiritual details with a particular will from drinking by a spiritual connection to Yahweh. With prophets, the spirit part of that person must grow in authoritative governing nature and take on changes within to carry the spiritual weight (duties, challenges, workload), to give them ways to fill up with the surging wisdom, power, and calling that God placed upon them from the early stages.

It's called a spiritual upgrade, where, based on how much work is given, that level of work will determine how much the person's spirit will have to be prepared and upgraded to walk in the fullness of the calling given. God has to create a prophet from birth, not from man's ordinations. A prophet has a way within their spirit, based on calling and spiritual upgrades, that enables that person to walk in the fullness of the work given for them to carry. Without the spiritual upgrades, a novice will not have the enduring way to handle the office duties without wavering.

God takes His prophets through hard tests and spiritual stripping at greater levels than other office gifts so that they will honor their God and speak His will. There is a full knowledge that punishment, in the removal from office duties and surging power, will be the payment for rebellion. These spiritual upgrades enable the servant to take in great levels of spiritual downloads directly from Yahweh.

And with the spiritual upgrades, there will be the ability to endure heavy prophet work and battle warfare. No prophet can be ready for Kingdom work with natural schooling only. Preparation includes a wilderness stripping of will, a cave training, where Yahweh separates the person from what they hold dear to come and get a full overview by Him.

—STRIVING—

Striving is the act of trying to build up a Kingdom work or purpose in a natural plan or assignment without spiritual backing. Striving operates under human workloads within the human structure under natural limitations. There is only a human backing of a power form with no real supernatural influence mixed within, with striving. They say they will strive to be a better nation, company, or person, yet they limit their potential to gain the fullest harvest by using a naturally propelled surging. We must always include the surging power of the Great Holy Spirit to influence the work, those joined in, and those transferring their wealth—spiritual and natural—within any realm or territory to gain maximum potential.

—UNSEEN BEINGS—

Unseen beings are made of a material known as *spirit* and can be seen with natural vision if they materialize. Those who can see angels and demons can see these details in a few ways: One way is through the Great Way giving that person a way to see into the spirit realm with a gift in King Jesus called Discerning of Spirits. Another way is through an “open” vision. God will also allow the viewing of the spirit realm through dreams.

Another way to see unseen details would be through occultic methods using the help of demons, through witchcraft acts such as séances, tarot card reading, astral projection, and Satan-based church participation. This insight gives a brief list of actions that build a way to engage the spirit realm. Using occultic acts will bring God’s anger, for it is not a plan He wants us to embrace.

—WAY OF RELEASE—

A prophet’s way of release is the delegated authority, given by **direct impartation** from Yahweh, to bring Kingdom order into the prophet’s sphere of influence under official duties and spiritual laws, without a hindering way in provision, protection, and power. The way of release begins the real office work, dealing in the real ways of spiritual warfare.

No prophet should take on a sphere to bring Yahweh’s influence without having a full way of release, guaranteeing they will be able to invoke Yahweh within the sphere given for work duties.

With a way of release, the servant is no longer a novice. Now the spirit realm is made aware of the shift and adjusts in how it honors the mantle.

Servant Seersgate has a world-level way of release, which activates a corresponding level of spiritual warfare in all realms and regions world-level. That is why her novice training took a thirty-year timing. She can flow at will with the way she takes on spiritual warfare, and many will drink of her way of prophet surging, beginning with covenant photos and hearing her voice. That is power coming forward through her way of release, and no one can break the power surging from Yahweh to have the mantle removed.

For prophets, in general, the power is given within a covenant that invokes Yahweh. Joined in covenant and yoked together is the servant to the God they serve. That is why there must be a careful examination of the prophet's outlets in ways of connections and secular friendships. There is no way to break the power flowing through the prophet except if they rebel, disobeying Yahweh's way of culture.

All prophets have a chance to say who they will serve. When a prophet of Yahweh chooses to leave, Yahweh gives a removal of power and strips the mantle, forcing the prophet to resort to fleshly ways of charisma and gifts or using spirits of an evil nature to gain outlets of spiritual insight. Removed prophets can spiritually drain others and give a presentation that all is well.

The way of release gives particular forms of freedom within the delegated sphere of governing, giving room to "play around" in spiritual dealings while doing Yahweh's will. In this place of freedom is where free-will still operates. With an "at-will" approach, Yahweh gives freedom to move in territorial ways of working in what plan will bring Yahweh's will into real ways. The boundaries are territorial, assigned based on governing ways, giving the prophet delegated authority to work within that sphere without hindrance.

With a world-level work sphere, what will hinder Servant Seersgate? If Yahweh gives a world-level mission to preach the Kingdom and prepare the world for the return of Christ, surely, He must trust the servant with a loyal work way, granting a powerful backing to move in His powerful

work plan. An Angelic Guard is assigned to the servant to make sure Yahweh's plan pushes forward.

Yahweh's servants of any work sphere can walk in a covenant with Yahweh. A servant in the prophet's office receives the work plan that will shape a realm or region with Kingdom culture. And with the way of release, the power connected to the mantle is activated, ensuring the way Yahweh gives will be done. Amen and amen.
