

THE PLACE IS READY

Journal Entry

April 18, 2012

Susanna:

Yes, my King.

King Jesus (Message from the Lord):

The place is ready. The place that I have prepared for those who will be with Me throughout eternity is truly ready. It has been prepared for those who love Me. This has been made ready for My body, and I will return very soon for those who truly make up a part of My body. Not with lips do they profess Me. They reflect on knowing their God based on relationship with their God. Relationship is a must, where one must know Jesus to receive eternal life. I am the Way, the Truth, and the Life. No one can come to the Father except through Jesus. No other name is above King Jesus. No one can say they have a way to Jesus on their way. There is only one God, and His name is King Jesus. Jesus made it very clear that He would go and return after doing the great moving through the war that will end when He steps on the Mount of Olives. King Jesus will end the war Himself when He literally returns to the earth. So why the wait? It is because the great harvest of souls must come into the Kingdom. The great harvest is about to come forth due to a supernatural explosion that is about to be revealed. The revelation of Jesus is the spirit of prophecy. Who will be revealed throughout the earth? It will be King Jesus who is revealed throughout the earth. Many will drink His Great Spirit and will see His Kingdom as it is made known to those who are His. Revelation—pure revelation is revealed by the Holy Spirit. True revelation will bring breakthrough, deliverance, healings, transformations, restoration, and so forth in the moving of the Great I AM. Now it's time for the revelation of King Jesus to be made known throughout the earth. It is now the moment for the world as a whole to receive this "Good News" and "What Jesus Came to Do." It is now time for the people to truly see. This is only possible by the moving of the Holy Spirit throughout the earth. The body of God must be pure and white through the Word of God

and the blood of Jesus. The Holy Spirit is about to move in the body, revealing to those who will drink His transforming fire that will take that person or ministry to the place they must be in for the return of Jesus. The body will become pure due to the purifying transforming potent Great Transformer. The Holy Spirit will draw those who will drink this. His moving will cause a great moving of souls into the Kingdom. There will be a way for those who are not in Christ to truly see due to the awakening in the Spirit moving throughout the earth. There will be unprecedented movings of the Great Moving of the transforming power of God as never seen before. There will be a great moving of the demons of hate and fear, where they will come and will try to get people to run away from the True Fire and seek out a source that will command them to worship them against the will of the Great I AM. They will worship the beast and his image. They will be letting the demons lead their will, and they will be deceived into a lie. But when they know that they have been deceived, it may be too late. For once one takes the mark of the beast, their eternal place is Hell, where they will spend eternity in the lake of fire. This is for those who choose Satan for all eternity. Most would say they will not choose Satan for all eternity. They would say they would rather do their own way, where they will not have to live for the One True God called Jesus. But one must know that to be sealed by the enemy of King Jesus is to say they have chosen to serve the enemy of God. And with the mark of the beast, it cannot be revoked. There is no way to receive Jesus from the time one takes the mark of the beast; eternity is sealed. But Satan would come and will deceive many into worshipping his beast and his false prophet who will be on the earth, moving in great deceiving signs and wonders. Many will think he is the savior of the world and will hold him in a place of honor and authority in the ways of the world. They will look to him for peace in the nation of Israel. They will look to him to bring a way where the people can be moving as one. He will deceive many through false details and will cause many to take his mark. Many will say that he is the savior they waited for. Then the enemy will be released to bring a way against the saints upon the earth to move in a great tribulation such as the world has never seen before. Many will take the way to the Kingdom of the Great King Jesus and will come to the place of eternity through a martyr's death. They will be beheaded. They will be tortured. They will be fugitives, as they will be against the way of the world. There will be no safe place for those who would say they will serve this Great God named Jesus. There will be a great moving of spiritual power throughout the earth. The earth will shake. The stars in the heavens will fall. The mountains will be made to take on the heavy moving throughout the earth. The wisdom of man will come to

nothing. There must be spiritual insight to come against a moving of this proportion in the great way. There must be a great moving of the One True Moving known as the Great I AM to have any greater way against this moving of demonic force. No human will be able to say they will be able to move in a great war using human weapons. No one. Do not let your moving of those who lead in the church way let those who seek their thoughts make it seem as if having a positive outlook will bring a way against this moving. No human moving should go against a demon without the backing of the Holy Spirit. No human should walk in a great war with positive thoughts using that as a way of war against the unseen moving of this proportion. This is not a moving that will not have some war casualties. The war will not have a “Sunday picnic—day to sit back and watch others fight” type of way to it. Wars are fought with the realization that one may have to serve to the death for those they come to give their way of service to. For you, dear servant, you have made a vow of a form of service to the Great Moving called the Great I AM, where you chose to serve your King at all costs to the end. This means that even if you must serve your King to death, you will live and die. For to live is good, so you could preach the Kingdom and prepare the world for the return of King Jesus. Yet, no greater way than service to the Great King, where it would no longer matter if one would take your life for your King. Be willing to serve Me, where you do not want to hold on to your life out of fear of what you will leave. Serve Me to death in this great war, where you see the will that your King gives is the will of the Great God Jehovah, your Father who is in Heaven, your true eternal moving.

Susanna:

Holy Spirit, why was it so hard to hear what You were saying? I made so many mistakes in writing down Your will. May I seek Your will concerning this? Is it due to eating or is it due to lack of study in the Word as before, or is it a deeper moving and I will truly have to hear what You would say in a very noisy room? This refers to the room being filled with unseen movings of which I have to filter out their voices so I could hear You really deeply.

King Jesus:

What you were dealing with is due to the fine-tuning of your hearing, where you need to truly hear Me in a room filled with various voices from those you may not see. You will move in being able to see these beings but not fully every day. That would become a great distraction if you were to only want to deal with the spiritual moving and ignore what would take place in the natural. You will bring what is in the spiritual to the natural. And so, you have to learn to be with Me, doing what I have willed. Yes, your spirit needs a refill. Yes, you will receive a refill in the next moving. The moving you will begin will start in the next few movings. This will include the next phase of fasting. I know you will be moving even closer to your Lord and Master. This is what you long for, and I will give you this moving to get closer to the Great King, but you must wait and not move in dealing in what you would want. Wait on your Great God to take you to the place you will stay until you see Me face to face without any filters.

Susanna:

Yes, my King. Let it be as You willed.
